

READ ENTIRE LABEL BEFORE USE. SHAKE OR STIR WELL BEFORE USE

This product is a fast acting natural insecticide. It controls a range of insect pests by contact action.

DIRECTIONS FOR USE

MIXING: Add concentrate to water at a ratio of 10ml per litre of water and mix well before spraying.

APPLICATION: Apply to areas harbouring insects and to surfaces where insects are crawling. Agitate frequently while spraying. Apply complete coverage of the target area and spray to the point of run off. Do not apply in direct sunlight or when temperatures exceed 32°C. Use diluted spray mixtures within 24 hours.

COMPATIBILITY: Do not mix with lime sulphur, Bordeaux mixture or any other alkaline materials.

SAFETY

HAZARD CLASSIFICATION: 6.3B, 6.5A, 6.5B, 6.8C, 6.9B, 9.1A, 9.3C, 9.4A

The maximum application rate of this product is 2L/Ha with a maximum of 5 applications per season.

WARNING: May be harmful if swallowed, inhaled or absorbed through the skin. May cause eye irritation, avoid contact with the eyes. May cause allergy or asthma symptoms or breathing difficulties if inhaled, avoid inhalation of vapours or mist.

PRECAUTIONS: Keep out of reach of children. Avoid contact with skin and inhalation of spray mist. Avoid contact with food utensils or places where food is prepared. Do not eat drink or smoke while using. Wash thoroughly after using.

FIRST AID: If swallowed DO NOT induce vomiting. For advice contact the National Poisons Centre on 0800 764766 or a doctor immediately. If spilt on the skin, remove contaminated clothing and wash affected areas. DO NOT SCRUB THE SKIN.

If concentrate is splashed in the eyes, flush with running water for at least 15 minutes. Seek medical attention.

PERSONAL PROTECTION: When handling, wear chemical resistant gloves, eye protection, overalls and boots. DO NOT eat, or drink while using. Wash thoroughly after use and before eating.

ECOTOXIC: Very toxic to aquatic life. Do not apply onto or into water and avoid contamination of any water supply with chemical or empty container.

SAFETY DATA SHEET: Additional information is listed in the Safety Data Sheet available from www.pyrethrum.nz

STORAGE & DISPOSAL

STORAGE: Store in original container, tightly closed, away from foodstuffs. Keep out of reach of children. Diluted spray solutions must be used on the same day they were mixed.

DISPOSAL: Triple rinse containers and add the residue to the spray tank. Recycle via Agrecovery depot. Alternatively crush and bury in an approved landfill. Do not burn.
